

Where are the Jobs?

Reflecting better quality jobs, the PMET (professionals, managers, executives & technicians) share of vacancies continued to rise in 2017.

Employers filled vacancies more quickly

Proportion of vacancies that were unfilled for at least six months

However, some openings remained hard to fill due to:

PMETs

Lack of necessary work experience

Non-PMETs

Unattractive pay

Work on weekends/
public holidays

Shift work
