

# PREFACE

The “Singapore Yearbook of Manpower Statistics” contains a wide range of statistics on the labour market. These include key data on the labour force, job vacancy, wages, redundancy, labour turnover, hours worked, conditions of employment, labour relations, workplace safety and health, higher education and skills training. Wherever possible, time-series data from 2006 to 2016 are included. This Yearbook is the 41<sup>st</sup> edition published by the Manpower Research and Statistics Department of the Ministry of Manpower.

We hope this Yearbook will meet the needs of users for up-to-date and comprehensive manpower statistics. The contents and presentation of the Yearbook are reviewed regularly.

We wish to thank the various government agencies, statutory boards and private organisations for their contributions to this publication. We are also grateful to those who have offered valuable comments and suggestions to improve the Yearbook.
