

Employment outcomes of PwDs

Employment rate of PwDs by age groups

More than half of employed PwDs were working in these industries

MINISTRY OF
MANPOWER

The Manpower Research and Statistics Department of the Ministry of Manpower started collecting data on the employment outcomes of Persons with Disability (PwDs) in 2018.

The information presented in this infographic was obtained from the Comprehensive Labour Force Survey, an annual sample survey of 33,000 households. The statistics are based on the averages of 2021 and 2022 data for resident PwDs aged 15-64.
