

LABOUR MARKET

ADVANCE RELEASE 2Q 2025

■ Total employment growth picked up momentum, but remained slower than 2Q 2024

Continued to expand in:

Financial Services

Health & Social Services

Residents

While some outward-oriented sectors saw further declines:

Professional Services

Information & Communications

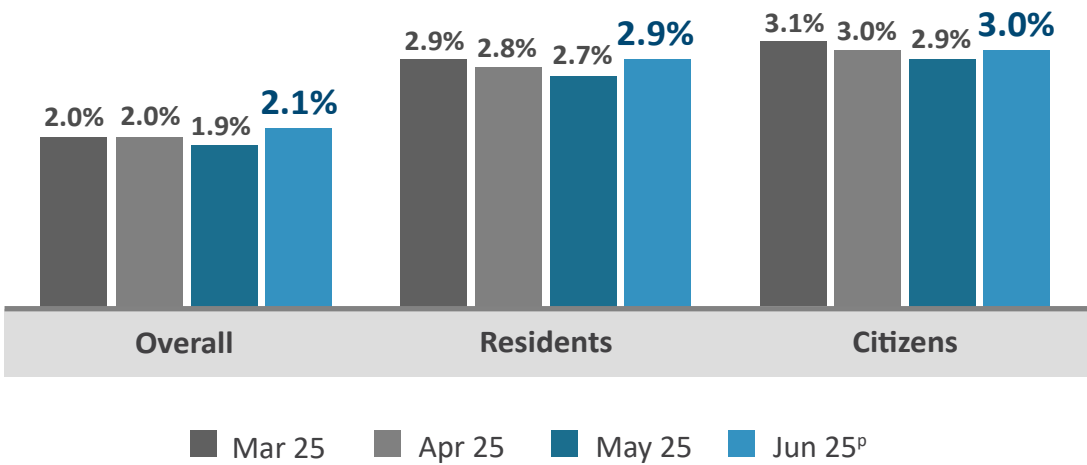

Non-residents

Growth was driven entirely by Work Permit Holders, particularly in:

Construction

■ Unemployment rates remained broadly stable

■ The number of retrenchments remained stable, with similar or lower levels across most sectors
